PUTRAJAYA PERDANA GIVES AWAY EIGHT SCHOLARSHIPS FOR 2014

PUTRAJAYA, Tuesday (9 SEPTEMBER 2014): Putrajaya Perdana Berhad (PPB) today awarded eight new scholars for the Putrajaya Perdana Berhad Scholarship Programme. The event took place at Putrajaya Perdana Berhad headquarters in Precinct 16, Putrajaya today. This year marks the company's 8th year in giving out these scholarships.

Putrajaya Perdana Berhad Scholarship Awards is PPB's annual Scholarship Programme, one of the company's Corporate Responsibility initiatives to provide educational opportunities to deserving university students.

"We see the importance of education for future generations. This scholarship programme was initiated to support those eligible and needy students to continue their study in tertiary education. Upon graduation, these scholars will also be offered employment opportunities with the company. This will create a promising career path for these young scholars", said YBhg. Dato' Rosman Abdullah, the Executive Chairman of PPB.

The recipients for this year are;

1. Vivien Necen A/L Vinsan from Pulau Pinang (Degree in Civil Engineering)
2. Sim Siew Joo from Sarawak (Degree in Civil Engineering)
3. Shanmugam A/L Subramaniam from Selangor (Degree in Civil Engineering)
4. Sasithira A/P Sathia Nanthan from Johor (Degree in Civil Engineering)
5. Nurshazira Abd Latif from Kelantan (Degree in Quantity Surveying)
6. Nurain Fakhira Mohd Nafi from Terengganu (Degree in Civil Engineering)
7. Manmit Singh from Sarawak (Degree in Mechanical Engineering)
8. Mohammad Dzulhaizat Mohamad Zawahir from Negeri Sembilan (Degree in Civil Engineering)

The scholarship was first introduced in 2006, benefitting some 80 scholars to date. Successful scholars are selected among students pursuing their degree at local universities in Civil/Structural Engineering, Mechanical/Electrical Engineering, Quantity Surveying and Building/Construction Management. The students' financial background and academic excellence are taken into account and priorities are given to students who are financially challenged with good academic results.

About Putrajaya Perdana Berhad

Incorporated in 1998, Putrajaya Perdana Berhad is an investment holding company recognized as one of Malaysia's most innovative and reliable construction groups, having successfully delivered several prominent and large scale projects on a turnkey design-and-build basis as well as pioneering the construction of green and energy efficient buildings.

Among the many notable green buildings the Group has built are the Low Energy Office (LEO) building for the Ministry of Energy, Green Technology and Water, the Green Energy Office (GEO) building for the National Green Energy Centre, the Diamond Building for the Energy Commission, Sarawak Energy Berhad's Headoffice, Menara PjH, Menara Felda, and Integra Tower.

The Group has to date completed more than RM9.5 billion worth of projects with 43% of it contracted on "Design and Build" basis. Its current Outstanding Order Book stands at almost RM1billion.

Other ongoing projects include Breezeway Desa Parkcity Garden Condos and Parkhomes, AraGreen Residences, Z Residence, Jing-Si Building for Taiwan Buddhist Tzu-Chi Foundation Malaysia, Westports CT6 & CT7 and Horizon Residences.

Going forward, the Group intends to expand its property development and concession businesses while maintaining its status as one of the leading construction groups in Malaysia.
