2010/06/18

Putrajaya Perdana Bhd (PPB), a construction and property development group, has been awarded a contract to build a RM142.8 million 300-bed private hospital in Desa ParkCity in Kuala Lumpur.

The project was given by Trekker Avenue Sdn Bhd, a subsidiary of Perdana ParkCity Sdn Bhd, to Putra Perdana Construction Sdn Bhd, which is a PPB subsidiary.

The project, which will include a six-storey elevated car park, is scheduled to be completed in April 2012 and will be PPB's first project in the health sector.

Perdana ParkCity is the developer of the 191.4-hectare Desa ParkCity township.

The PPB group was the main driving force behind the development of the nation's administrative capital Putrajaya. -- Bernama
